About 1890s Goldsmith Brand Pre-Weld Spiderman-style Catcher's Mask. The mask has metallic lock connections and a leather pad, such as a leather jaw and forehead cushion. The mask has a fabric Goldsmith badge that must be seeded on the forehead pillow. That's a nice 19th-century catcher's mask. \$425.00 This item is a stunning full Wright & Ditson Baseball Uniform originating in the state of Connecticut. The uniform features a Wright & Ditson Collared jersey with buttons for cuffs, wright & ditson quilted baseball pants, a baseball belt, a rare pillbox cap and a pair of baseball socks. It is almost unheard of to find such a perfect baseball uniform that has survived together for about 120 years. The uniform comes from Westport, Connecticut, and I believe the uniform is waterbury for the Connecticut team. The uniform includes 1880s hand tags for a Waterbury baseball team game against a meriden team. This handbill didn't come from a jersey, but is a great companion piece. The jersey has a Wright & Ditson tennis player style that needs to be sewn with a tag. On the chest of the jersey are white W and B letters with a little mild koiholing that reveals the green material below. The jersey is green, but there's some fading to it. The trousers also feature identical Wright & Ditson tagging and feature heavy quilted padding. The trousers have a pocket on the turntable, and their original red fabric and brown leather baseball belt. The pillbox has wear and there is a small tear at the top of it, but the pill box caps are so hard to find. Fantastic turn-of-the-century baseball uniform that will undoubtedly create a museum quality display. Sold. About the 1920s Nash Motors baseball team Full Green Pinstriped Uniform honus Wagner Sporting Goods and Charles Carr Athletic Clothing Tagging. This fantastic uniform has a blue and red Nash logo on its chest and a left shoulder S. Both the jersey and trousers have Honus Wagner Sporting items tagging as well as marking Carr Athletic Clothing. This is a larger uniform, and it is in excellent condition, retaining its button, with no tears, tears or sticks. Fantastic early baseball uniform with a neat early car manufacturer connection. \$800.00 You don't have permission to access d-20338967-64455740+z-9-1713491599 server. Reference in an attempt to find the original woolly cohesive back in the 1980s, the founder of Ebbets was led to a warehouse containing baseball flannel from the '40s. He bought it one bolt at a time and built our company on top of it. We are committed to bringing mid-century American sportswear to the 21st century audience of quality, beauty and crafts....
